To Whom It May Concern:

The safety of our employees at Nitro-Lift Technologies is our first priority. Our Total Recordable Incident Rate for the past two (2) years is 1.22, with zero fatalities. Beginning in 2015, and through the first quarter of 2016, we have not had any recordable incidents. We also had zero days away from work in 2015.

In addition, we did not have any vehicle incidents during 2015, with over 530,000 miles driven. Any incidents that do occur are thoroughly investigated by supervisors and/or management.

If you have any questions or concerns, please feel free to contact me at (580) 371-3700, or by email at c.upton@nitrolift.com.

Thank You,

Chad D. Upton, Esq.
HSE/Safety Manager
